Our **Country Fried Chicken Breast** (whole muscle chicken breast) and **Country Fried Sirloin Steak** (cubed premium quality sirloin steak) are both hand battered and breaded with wheat flour, spices, onions and garlic. Par-fried to lock in flavor, texture and breading. They are partially cooked and will need further cooking.

**DEEP FRYER:** Preheat oil to 350 degrees F. Place frozen product in oil with the heavy breading side face down and cook for 3 minutes or until heated to 165 degrees F internally.

**CONVENTIONAL OVEN:** Preheat oven to 350 degrees F. Bake frozen product for 50-60 minutes or until heated to 165 degrees F internally.

**CONVECTION OVEN:** Preheat oven to 350 degrees F. Bake frozen product for 30 minutes or until heated to 165 degrees F internally.

**FLAT GRILL:** Add a small amount of oil to medium heat section of the grill, heat to 350 degrees F. Cook frozen product for 3-4 minutes on each side or until heated to 165 degree F internally, turning frequently to avoid burning the breading.
