ABOUT BURGERS' SMOKEHOUSE CAKES

Our cakes are made from scratch with premium quality all-natural ingredients. No preservatives added. Each cake will serve approximately eight people (depending on slice size.) Each layered cake is split and filled with frosting by hand.

SERVING SUGGESTIONS

We recommend thawing two to three hours before serving. Serving them at room temperature ensures the best flavor experience.

Leftovers may be refrigerated up to nine days. You may re-freeze; however, the more times the cakes are re-frozen, the more the integrity and flavor profile is at risk.

ALL CAKES ARE MANUFACTURED ON EQUIPMENT THAT IS SHARED WITH OTHER PRODUCTS CONTAINING NUTS.

IMPORTANT FOOD SAFETY TIPS

- “DANGER ZONE” (40° to 140°F)
- Keep cold food cold – at or below 40°F.
- Keep hot food hot – at or above 140°F.
- When heating or cooling of food it is important to travel through the “Danger Zone” temperatures as rapidly as possible.
- If not going to consume hot food right away, it’s important to keep it at 140° F or above.
- Leftovers must be put in shallow containers for quick cooling and refrigerated at 40°F or below within two hours.
- Always thaw product in refrigerator.
